

Counsel High Interest Savings Fund Series A

March 31, 2025

The fund is designed to provide investors with a high rate of monthly interest income, while preserving capital and providing liquidity, by investing primarily in high interest deposit accounts. The effective interest rate earned by unitholders may vary from the gross rate provided to the fund due to uninvested assets to facilitate unitholder transactions and expenses. The fund seeks to maintain a constant net asset value of \$10 per security.

Is this portfolio right for you?

- May provide higher interest than traditional savings accounts. Currently, the gross interest rate paid to the fund is 2.77% based on the deposits held by the Fund. The effective interest rate earned by unitholders may vary from the gross rate provided to the Fund due to uninvested assets to facilitate unitholder transactions and expenses.²
- Alternative option for short-term savings and/or cash that can eventually be deployed into a longer-term investment.
- Distributions accrue daily, paid monthly.

¹Canada Life Investment Management Ltd., the portfolio manager of Counsel High Interest Savings Fund, has the discretion to add or change the high interest savings accounts or securities invested in by the Fund. Please read the Fund Facts, Simplified Prospectus and/or other reporting documents before investing, available at www.counselportfolios.ca.

²Rate shown effective March 13, 2025. The effective interest rate paid to unitholders may vary from the gross rate provided to the Fund depending on multiple factors including the fees of the series purchased, the settlement date of the purchase and the growth rate of the fund. Interest is calculated daily on the total closing balance in the Fund's investments on each day and paid monthly. The current yield is an annualized historical yield based on the seven-day period ended on the date noted above and does not represent an actual one-year return. All third-party marks are used with permission.

Distribution of the chart, history standard and short-term reports are not permitted without including the fund profile long-term report. Commissions, trailing commissions, management fees, and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The performance data provided assumes reinvestment of distributions only and does not take into account sales, redemption, distribution, or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual fund securities are not covered by the Canada Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurances that the fund will be able to maintain its net asset value per security at a constant amount or that the full amount of your investment in the fund will be returned to you.
